

Learner Agreement

Nebosh - IGC

Dear Learner,

POSHE Solutions, Welcome you on board to our Internationally Accredited NEBOSH IGC Training programme.

Learning Agreement

You are about to commence a globally recognized qualification, which will enhance your competence on health and safety, the course will provide better knowledge on health and safety management system as well as controlling the workplace hazards. The learner expected to provide his commitment to concentrate on the studies during this tenure both classroom training, as well as private study.

NEBOSH IGC is a level 3 qualification, which needs the candidate to profound their knowledge exclusively, and ensure that you dedicate time for preparing both theory / practical assessment to qualify for this exam.

Course schedule are shared with you upon registration via email, you will also get a copy of study material / E-Learning access to start your preparation early.

POSHE Solutions, will provide:

- NEBOSH Approved course materials / E-Learning.
- Classroom Environment with welfare facilities.
- Use qualified and approved tutors to deliver the sessions.
- Take you through the syllabus to cover the learning outcomes.
- Dissemination of information or resources that will help to qualify for this examination.
- Quick response to clarify your doubts.

We further have rights to prohibit the candidate from appearing for the exam due to poor attendance or failed to complete your E-learning modules, or those who have poor mock exam results during the session.

Learner Agreement

We expect the candidates to have LSRW – Learning, Speaking, Reading & Writing Skills.

The Learner must

- To attend all the 10 Days training session.
- Involve yourself in classroom activities.
- To attend all the Mock exams including 100 Marks Mock Papers.
- To complete all the assignment work provided by the training on daily basis.
- Ensure that you prepare (self-study) - at least 4 hours in day.
- Take notes whenever required and pay special attention on the daily revision topics.
- Involve yourself sharing your workplace experience that may relevant to the topic.
- To pay attention to exam revision techniques, exam procedures.
- To feel free to ask the trainer on the topics where he has difficulty in learning to understand the concept clearly.
- Refrain from using mobile phones during the session.
- To notify us well in advance if you are taking leave during the session.
- If you are attending the session, then it is the responsibility of the individual candidate to do a self-preparation.
- Practical assessment must be your own work, do not copy from others – see mal-practice policy.

I _____
(Learner Name) agree to the terms and conditions stated in the learner agreement.

Further, I understand the consequences from the breach of this agreement.
